Nadia Nisa

UI/UX DESIGNER

Email: nadisa9898@gmail.com . Contact no: +880 1628 225 699 . Address: Dhaka, Bangladesh

Linkdin Website Behance Dribble

Career Objective

Skilled and experienced UI/UX Designer with a solid background in designing user-friendly interfaces for both web applications and websites. Proven expertise in user research, wireframing, prototyping, and creating responsive, visually appealing designs that enhance usability. Adept at collaborating with cross-functional teams in a software company environment to deliver impactful digital products. Seeking to contribute creativity, design thinking, and technical knowledge to a team focused on innovation and user-centric solutions.

Working Experience

UI/UX Designer

Redlime Solutions [January 2025 - Present]

Dhaka, Bangladesh

www.redlimesolutions.com

- Contributed to end-to-end UI/UX design for multiple SaaS and healthcare platforms, improving usability, accessibility, and overall user experience. Worked closely with product, development, and QA teams to deliver user-centered digital solutions and maintain design consistency through design systems and reusable components. Gained hands-on experience in real-world product design, strengthening skills in wireframing, prototyping, and problem-solving.
- Developed strong collaboration and communication skills by working in a cross-functional team environment. Improved ability to understand business requirements, user needs, and translate them into effective design solutions. Built a solid foundation in UX thinking, design processes, and professional workflow while contributing to impactful company projects.

My Side Hustle

Quick Delivery [March 2026 – Present]

Sylhet, Bangladesh

www.quickdeliveryhbj.com

- Managed a local delivery service, improving accessibility and convenience for customers through reliable and timely delivery solutions. Established service workflows, pricing strategies, and operational processes to ensure smooth day-to-day operations and customer satisfaction.
- Handled social media presence, promotions, and marketing strategies to increase brand awareness and customer engagement. Planned and executed campaigns to attract new users and retain existing customers, contributing to business growth.
- Gained practical experience in business operations, team management, marketing, and customer service. Developed strong decision-making and problem-solving skills while handling real-time challenges, managing riders, and ensuring service efficiency. Demonstrated the ability to build and grow a service-oriented business from the ground up.
